

38th IEEE International System-on-Chip Conference

Dubai, UAE

Sept. 29-Oct.1, 2025

LATE BREAKING NEWS!

The Late Breaking News session is an opportunity to share recent exciting and hot research results that have been, lately, developed. Prospective authors are invited to submit a full paper (4 pages, two-column format) describing original work. LATE BREAKING NEWS papers should cover new research in any area of System-on-Chip. Sufficient work must have been completed to indicate viability of the work. By their nature, LATE BREAKING NEWS papers typically outline new and exciting results – but may not be complete, yet. **Accepted LATE BREAKING NEWS papers are FULL 4-PAGE PAPERS that WILL BE presented in a special poster session and PUBLISHED IN THE PROCEEDING.**

Only electronic submissions will be accepted at the following link: <https://edas.info/N33709>

Papers must use the template provided on the SOCC 2025 website. **Publication in IEEE Xplore is contingent on registration for the conference and presentation at the conference.**

All guidelines and regulations for the conference applied.

Submission deadline: July 25th

Notification of acceptance: Aug 11th

Final paper submission: Aug 18nd
